

The Nativity Journey at Wintershall

We look forward to welcoming you to Wintershall for the Nativity Journey and we hope that you really enjoy the performance. The Nativity play takes place outside and then inside Holly Barn, therefore please dress appropriately for winter or wet weather with stout shoes or boots.

There is free parking, Holly Barn is a 10 minute steep walk from the car park. If you will need assistance, please email admin@wintershall.org.uk and we can book parking for you next to the Barn Theatre. This **MUST** be pre-booked in advance and those parking there will miss the first scene of the play. If you are attending the 2nd performance on any of the days, please arrive half an hour before, this allows time for the traffic from the 1st performance to depart. Please note that pushchairs are not allowed inside the Barn and it is advisable to use a baby carrier rather than a pushchair due to the steep walk to the Barn and the potentially muddy conditions outside.

After the start of the play outside, you move inside and are seated in the theatre on plain wooden benches, you may wish to bring a cushion. Each performance lasts approximately 90 minutes. Please note that we do not allow flash photography during the Play in consideration of the animals. Please note that smoke, pyrotechnics and strobe lighting are used during the performance of the Play.

Hot drinks and cake are available on the 20th and 21st of December near the car park. Programmes will not be on sale this year but we will have a Wintershall shop near the car park and merchandise can be bought from there or ordered over the phone before the play and posted to you, please call 01483 892167 for advance sales.
