

The Life of Christ 2025 – What Schools Thought

Teacher Voice

"The performance was so incredibly realistic and brought the events that we read about in the Bible to life in such an incredible way."

All staff members noted the educational value of the re-enactment, highlighting how it engaged the children and deepened their understanding of the biblical events. The immersive experience and interactive elements made it a memorable and impactful day for everyone involved. Given the success of this year's retreat, we would love to attend the event again next year. Thank you!

"The acting was fantastic and we loved the way the actors interacted with the crowd. The feeding of the 5000 was our highlight!"

"The actors were amazing. It was so immersive - felt like you were really there with the crowds of people! Totally well-organised"

"The Resurrection - it was breathtaking. The children also loved seeing the parables they know so well brought to life. All staff and actors were welcoming and so enthusiastic. The whole class felt fully immersed in Jesus' life."

"So much work went into this - some of those actors had to learn hours worth of script. Jesus in particular was excellent."
