

Live Stream of the Passion of Jesus Play

The Passion of Jesus play will be performed on the 19th of April 2019. Both performances will be live streamed on that day and the performance times are 12 noon and 3:15 pm. This is of course free. The performances run for 90 minutes. The Live Stream will be LIVE from 11:45 am and 3 pm, you will see slides from our big screen in the Square and also the Compere speaking before the play starts.

We will use Facebook Live for the Live Stream and the URL is www.facebook.com/Wintershallplay. You can watch this on your home (web enabled) computer but for a group or church you will need:

- a web-enabled PC with reliable internet connectivity (a minimum of 10MB/s)
- a projector or large screen to display the play
- and a sound system so that your audience can hear the actors speaking and the Passion music throughout the Play.

If you are a group/church planning to watch the live stream, please email us on admin@wintershall.org.uk so that we can keep you informed of plans before the performance.

If you would like to sign up to our newsletter please use this link:
