### **Education Workshops at Wintershall 2022**

We have been advised that your Company is providing transport for a school group coming to Wintershall this year. We wanted to write and let you know about access to the site.

SATNAV will often direct you down inaccessible private roads, so please have a look on our [website](#) for directions if you haven't visited us before.

The last half mile of the approach road is only one vehicle wide, with passing places for cars and other vehicles. Please follow signs to Wintershall and Gate Street.

On arrival in our coach park, marshals will direct you to drive onto the hard standing alongside our Rehearsal Barn. There are toilet facilities in the barn for you to use while onsite.

If you need to leave the site in the morning, or your school has only booked a half day trip please let us know, so that we can alert the marshals on the road.

I regret that no coaches are allowed up the main drive in view of the cattle grids.

We look forward to welcoming you and your group.

Yours faithfully,

**Lucy Hall**

Wintershall Education Officer
