

Thank you for booking the Life of Christ.

Please note the following which will help you to make the most of your day:

- There is a free coach park and car park for individuals and minibuses.
- There are hot and cold drinks and snacks available but, as the lunch interval is quite short (approx. 45 minutes), you may wish to bring a picnic. Please see on the following page the menu of our onsite catering company. Mooch Icecream will also be with us all day Saturday and from 3 pm on the other days offering handmade icecream and sorbets.
- There is no formal seating, please bring a folding chair or a picnic rug if needed.
- Please dress appropriately for a full day outside, with stout shoes and a raincoat/umbrella if the forecast is wet or lots of water, sun cream and a hat for hot weather.
- Electric buggies are available throughout the day for those who need them, from the car park, between acts and on your return to the car park. Please ask a member of staff and they will be pleased to assist you.
- If disabled assistance is needed please arrive before 9:45 am. If you arrive after this time we will not be able to get you to the Act I site and you will miss the first hour of the performance.
- Toilets are available in various locations throughout the site.
- Unfortunately, dogs are not allowed at Life of Christ except, of course, for guide dogs.
- There will be some stalls on site offering a variety of goods for sale.
- Please note roadworks are planned from 18 June throughout Life of Christ week at Sherbourne, Albury between its junctions with the A25 Shere Road and New Road for gas works by SGN. A signed diversion will be in place, please choose a route to avoid this or allow extra time in your journey.
- Please note that roadworks are in place at New Pound Road, Compton throughout the Life of Christ, this is the road that runs from the A3 to Peasmarsh. A signed diversion will be in place, please choose a route to avoid this or allow extra time in your journey.

We wish you a wonderful and very memorable day.
