

### The Nativity Play at Wintershall

We look forward to welcoming you to Wintershall for the Nativity and we hope that you really enjoy the performance.

The Nativity play takes place outside and inside Holly Barn, therefore please dress appropriately for winter or wet weather with stout shoes or boots. Hot drinks and snacks and a small shop, selling seasonal merchandise, are available from 40 minutes before each performance.

There is free parking, Holly Barn is a few minutes steep walk from the car park. If you will need assistance, please contact the Bible Society on 01793 418 299 and they can book parking for you next to the Barn Theatre. This **MUST** be pre-booked in advance. If you are attending the 2<sup>nd</sup> performance on any of the days, please arrive half an hour before, this allows time for the traffic from the 1<sup>st</sup> performance to depart.

After the start of the play outside, you move inside and are seated in the theatre on plain wooden benches. Foam cushions are available to hire before the performance from our shop, if you wish, or you could bring your own. Each performance lasts approximately 90 minutes.

Please note that smoke and pyrotechnics are used during the performance of the Play.

The merchandise we will be selling in the shop includes Christmas Cards & Postcards, Nativity DVD's, Books and DVD's from our other plays.

We wish you a Merry Christmas and a Happy New Year.
